Have you lost something lately and can't find it? We have a lot of lost property in the office e.g. watches, earrings etc.

Please come and ask us - we might just have it!

**PRINCIPAL'S MESSAGE**

**Book Week and Book Fair**

Congratulations to Mrs Shepherd, Mrs Davey and the team for conducting another successful reading focus for our school. The Resource Centre looks amazing and it is great watching the students leave the Resource Centre showing the excitement to motivate them to read or read more. I am also certainly looking forward to the Favourite Character Dress Up on Friday.

**Reading**

How are your kids going with their reading? How do you know?? Our school is firmly committed to improving every student’s ability in reading. What are they reading at the moment? Do they read books? Do they read from iPads, computers, iPhones? What can you talk about with your kids about some literature that you have read lately? These are more simple strategies to help build confidence in our students towards reading. Give it a try...

**Reading Results**

Is what we are doing at Cranbrook working? This is a question I am investigating this term, as at the end of the this term marks the one year mark for our school in our specific improvement agenda around reading. Have we improved the students reading levels and are we making a difference? Our results so far are:

- Year 1 – 20% above benchmark in term 2 2012 - **NOW 65% above benchmark**
- Year 2 – 27% above benchmark in term 2 2012 - **NOW 51% above benchmark**
- Year 3 – 54% above benchmark in term 2 2012 - **NOW 77% above benchmark**
- Year 4 – Average reading age in Term 2 2012 was 8.7 years – NOW Average reading age in Term 2 2013 10.6 years (Improved nearly 2 years in the space of one)
• Year 5 – Average reading age in Term 2 2012 was 8.45 years – NOW Average reading age in Term 2 2013 11.0 years (Improved nearly 2.5 years in the space of one)

• Year 6 – Average reading age in Term 2 2012 was 8.7 years – NOW Average reading age in Term 2 2013 11.2 years (Improved 2.5 years in the space of one)

• Year 7 – Average reading age in Term 2 2012 was 10.4 years – NOW Average reading age in Term 2 2013 12.3 years (Improved nearly 2 years in the space of one)

I am sure you will agree that these results are excellent and we thank our community and parents for supporting us with reaching these wonderful outcomes for our students and really making a difference. I also wish to acknowledge the fantastic work all of our teaching staff and teacher aides have done to help attain these results.

I am looking forward to further great news in the next 2 to 3 weeks as teachers will again go through their cycle of analysing data and developing whole class, small group and individual plans for the last term to improve each and every student’s reading even more.

NAPLAN

NAPLAN Test Results will be released on Friday 13th of September. As soon as we have them, we’ll share them. We are all looking forward to great growth.

Cranbrook Learner Expectations:

A reminder to all parents that we work with students to assist them is being a SAFE Cranbrook Learner in All Areas. A SAFE Cranbrook Learner does the following:

• Uses equipment safely/appropriately
• Moves safely through class/school
• Walks on cement
• Keeps hands/feet/teeth etc. to self.
• Follows directions of teachers/staff
• Resolves conflict without violence
• Wears school uniform
• Remains in designated areas
• Remains in class/school setting

Student Classroom Resources

At this time of the year, I receive reports from teachers saying that too many students do not have a sharp pencil to write with or a rubber or ruler etc. This is due to student supplies beginning to run out so it would be appreciated if you could please check that your child has all of these items, so that class time is not constantly being disrupted.

Spelling Team Update

Continue reinforcing with your child in identifying the consonants and vowels in each spelling word.

Vowels are – a, e, i, o, u and y (when at the end of a word) This supports our LEM phonics program we are implementing

Consonants are – all other letters including y (y can also plays the role of a consonant)

Prep – Yr 2
Consonants are circled in blue, vowels in red

Yr 3 – Yr 7
C represents consonants and V represents vowels
CV CC VC V
sincere

Whole-School Spelling Focus

The following rule will be taught explicitly across the whole school during week 7 & 8 of Term 3.

When a vowel has a short, (first) sound, divide the word after the next consonant (eg con.vince)

Looking Back on our Whole-School Focus

- Never divide a one syllable word – play
- Divide compound words – some where
- Divide suffixes from their base words – help ful
- Divide prefixes from their base words – undo
- When two consonants come together, divide between the 1st and 2nd consonants (eg tur*tle)
Helpful Hints & Sorts
When your child/ren bring home their spelling sorts here are a few hints to keep you in the loop:

- Cut sound/word cards and the sort pictures or words.
- Category headings and should be placed at the top of each column.
- Ask your child to sort the picture cards into categories.
- Ask “Why did you sort the picture/word cards the way you did?”
- Have your child say the words aloud.
- Have your child mix-up the cards and sort them again as quickly as possible.
- Check with your child what different ways they have learnt to sort their words/pictures/letters in class.
- Put the sort cards somewhere safe like a ‘zip lock’ plastic bag or envelope as they will use them several times each week.
- Glue them into your child’s homework book at the end of the week/fortnight.
- Praise, praise, praise

Games are played at Townsville Basketball at Murray Sports Complex, Annandale.

New players to Townsville Basketball must pay $25 to register with Queensland Basketball and to gain insurance. If your child is currently playing basketball you do not need to reregister. To nominate a team is $25 and each week games cost $70 per team. Entry to the games is free for all spectators. Parents act as scorers during games and Team Managers. Training would occur after school at Cranbrook

Some teachers from Cranbrook School would like to nominate some teams in the competition. Notes went home with some children this week. If you are interested in your child participating in the Summer League please complete the form and return it to Mr Johnson. If you child did not receive a note they are available at the office.

Thank you to the parents that have come forward to take on one of the co-ordinators roles for the fete.

We are still after a few people to come forward to assist in the following roles:

**FOOD COORDINATOR** - The food co-ordinator liaises with all food and drink outlets at the fete to ensure all supplies are purchased and ready for the fete. They will ensure adequate rosters have been filled to ensure the food is served in a safe manner. They will ensure all food and drink outlets are set up ready to go in a safe and hygienic manner and liaise with them during the night as well. The co-ordinator will also liaise with the P&C executive regarding stock purchasing for food outlets as all food and drink stock purchases must be approved before they can be purchased.

**PACK UP & CLEAN UP COORDINATOR** - A Pack-up Coordinator is required who will assist in gathering helpers to pack away tables and chairs etc after the fete, including rubbish collection. The Pack-up Coordinator will be required to gather a group of people and help coordinate them after the fete to ensure all tasks are complete before heading home and declaring a fete well done.

**ASSISTANCE WITH LIGHTING FOR THE FETE** - Do you have a spare hour on Thursday 19 September, the night before the fete, to come to the school, ensure the lighting towers are in place and adequately light the areas required, and make any adjustments if necessary.
**PICK UP AND RETURN OF THE LIGHTING TOWERS** - Do you have a standard size tow ball on your car and can help transport the lighting towers back to the hire companies after the fete? If you can provide your assistance with this, it will save the school money on delivery fees which could be better spent on the fete.

**BEAT BOX COMPETITION** – this competition was announced to the Students at this week’s parade. The competition will run on the fete night and is open to all primary school age students. A flyer advertising the competition will be going home soon which includes a section for the students to complete and return to express their interest in the competition.

**RIDE BANDS** - Notices went home last week advertising the PREPAID RIDE BANDS for the fete. Ride bands are $25 each prepaid by Wednesday 18th September. If you wish to purchase them on the fete night they will be $30. NO PREPAID RIDE BANDS CAN BE ISSUED AFTER 3pm WEDNESDAY 18th SEPTEMBER so please get in early to save $5 per band. Additional order forms are in the office if you have misplaced yours.

**ESKIES** – The P&C are after a few large eskies to use on the night for our drinks stall. If you have a large esky that you are willing to drop off at school on the FRIDAY MORNING of the fete and collect again AT 9pm FROM THE FETE please email the Fete Co-ordinator to advise.

**DONATIONS** – A big thank you to the families that have donated some wonderful cent sale prizes, raffle prizes and stall prizes for the fete. Donations are still welcome, please leave them in the office in the box marked “fete donations”. The box is located under the blue money collection box. The following donation requests would greatly assist our class run stalls:

- **Grocery Wheel** – will require non-perishable and in date grocery items. Think outside the square with this one....you can also donate car wash, toiletry items etc. Something that could help fill a bucket that you would want to win.

- **Most stalls** – will require donations of multipack chocolates, biscuits, popcorn and chips. These small items will either be used as a main prize (depending on stall) or as consolation prizes. We need as many as we can get!

- **Some stalls** – will require prize donations of up to $5 in value. These will be prizes that can be won should a set goal of the stall be achieved. These can be items such as gift cards, stationery/car/gardening/fishing items, small trinkets and toys etc.

- **Cent Sale and Knock Em Down stalls** – require empty tins/containers with lids. No glass containers please.

- **If you prefer to give a cash donation**, your gift will be used to purchase items similar to those stated above.

- **Cake Stall** – will require home baked sweets, slices and cakes to be delivered to the school from Friday morning of the fete. These goodies will need to have a list of ingredients attached to them, and contain no fresh cream as no refrigeration will be available.
Thanks again for supporting the P&C fete, we all look forward to a wonderful family night out, the fete is shaping up to be a great event not to be missed. There will be centre stage attractions, rides, cent sale, raffles, yummy food, graffiti display, lazer skirmish, heaps of fun stalls for the kids to enjoy and much more!!

If you have any questions regarding the fete please do not hesitate to contact the fete co-ordinator Jacqui on 0400 416 514  jacquibawden@hotmail.com or the P&C President Julie Kipping on 0409 061 268  kipping@westnet.com.au  Hope to see some of you at Monday's meeting.

EMBEDDING ABORIGINAL AND TORRES STRAIT ISLANDERS PERSPECTIVIES IN SCHOOLS MEETING

Indigenous Parents Meeting (EATSIPS) next Wednesday, 4th September, 2013 at 2.30pm.

These meetings are important so we can discuss about how Cranbrook State School could provide an Indigenous perspective in the school, and this needs to come from community, So I would love to see you there. Ring me if you have any questions.

Apology/Sorry Day Shirt

Orders now open until Friday the 20th of September for guaranteed delivery before Christmas 2013.

Shirts are $60 each + Postage. Please view sizing and measurement chart attached.

Email orders to : imediadesignsolutions@gmail.com
**Design Rationale:**

On the front of the shirt is a shape of Australia, and within it you will see an Elder blowing the smoke in a healing Smoking Ceremony (his face is almost half Australia) and in the smoke you will see 3 x Traditionally dressed Aboriginals and a Traditional dressed Torres Strait Islander to the right. On the top right hand corner is Stuarts Desert Rose, the floral emblem of Sorry Day (as it is found widely across Australia and is a Survivor), with the Title of National Sorry Day and Date that stays consistent each year. SORRY is written across the base of the image in brush strokes. I have kept the background black as the images within the Australia shape are very busy and interesting and I felt a solid colour backing would bring that out the best.

On the Back of the shirt there is some strong colours in the pink and purple range. These colours are significant to Sorry Day and represent Compassion and Spiritual Healing. The footprints in the sand represent the journey and also is the symbol used by the National Sorry Day Committee. I have listed the dates and which government in order of Parliamentary Apologies to the Stolen Generations of Australia, as each was a step in the right direction and acknowledgement of the past mistreatment, hurt and pain. There is a further acknowledgement of "Sorry" 'Stolen Generations" and “Bringing them Home".
Bringing them home is significant as Sorry Day, May 26, is the Anniversary of the tabling of the Bringing them home report in Federal Parliament. So in this design it is representative of the report being tabled and also the actual resulting acts of physically and emotionally “bringing them home”.
