PRINCIPAL'S MESSAGE

Road Safety

It is great to see so many students riding to and from school; however students need to be aware of the dangers of riding on the road. Ride on designated paths or footpaths where possible. We encourage the wearing of protective equipment. Cyclists MUST wear helmets when riding to and from school. Please remember to walk bicycles while in the school grounds.

Birth Certificates for Children Starting Prep Year

Parents of children born between 1 July 2008 and 30 June 2009 who are starting Prep in 2014 will need a birth certificate to enrol them in the Prep Year. The Registry of Births, Deaths and Marriages is encouraging parents to apply for birth certificates now to avoid the new school year rush.

To apply for a standard or commemorative birth certificate you can:

- Visit the Registry (Court House) in Walker Street, Townsville.

Don't leave it to the last minute – apply for a birth certificate now.
Further information for parents and carers wanting to enrol their Prep-aged children in a state school in Queensland is available on the Department of Education and Training website at: www.education.qld.gov.au/studentservices/inclusive/prep/

**Communication**

Without doubt, the greatest issue I face as a school principal (and parent) is around communication and its impact on all facets of education. Whether it be a teacher’s (or parent’s) ability to communicate with a child, my own ability to communicate with staff, or even the school’s overall ability to communicate with the wider community – communication is such an important factor in my daily existence.

Constantly we are reminded that communication is a two way street. Could I take this opportunity to encourage all members of the school community to take an active role in communication.

As teachers we greatly appreciate any correspondence that assists us in working with children and families to maximise the learning experience at school. Out of school successes, student stresses and medical issues are all factors that impact on a child’s learning. When we all work together and open communication channels, we can achieve even greater things for our kids.

**Cranbrook Learner Expectations**

A reminder to all parents that we work with students to assist them is being a RESPONSIBLE Cranbrook Learner in All Areas. A RESPONSIBLE Cranbrook Learner does the following:

- Demonstrates Personal Best
- Seeks help when needed
- Attempts to meet deadlines
- Is prepared and shows interest
- Seeks or accepts help when needed
- Requires no prompting to behave
- Accepts responsibility for own behaviour
- Accepts consequences of own actions
- Works and plays independently
- Prepared/punctual for each lesson
- Catches up on missed work
- Conforms to routines and procedures
- Returns equipment in a timely manner
- Hands in Electronic Devices at the office
- Informs staff of inappropriate behaviour
- Uses problem solving skills
**Teacher Aide Day - 6th September**

We celebrate Teacher Aide Day on the first Friday of September to recognise the great work our teacher aides do to support our students and teachers.

The help they offer goes a long way in our classrooms, providing the extra attention some students need to get the most out of a lesson and supporting our teachers to organise engaging and educational activities each day.

A big thank you to our wonderful teacher aides on behalf of our whole school community.

Spelling Team Update
Continue reinforcing with your child in identifying the consonants and vowels in each spelling word.

Vowels are – a, e, i, o, u and y (when at the end of a word) This supports our LEM phonics program we are implementing
Consonants are – all other letters including y (y can also play the role of a consonant)

Prep – Yr 2
Consonants are circled in blue, vowels in red

Yr 3 – Yr 7
C represents consonants and V represents vowels
CV CC VC V
sincere

Whole-School Spelling Focus
The following rule will be taught explicitly across the whole school during week 7 & 8 of Term 3.
When a vowel has a short, (first) sound, divide the word after the next consonant. (eg con.vince)

Looking Back on our Whole-School Focus

- Never divide a one syllable word – play
- Divide compound words – some.where
- Divide suffixes from their base words – helpful
- Divide prefixes from their base words – undo
- When two consonants come together, divide between the 1st and 2nd consonants. (eg tur.ble)
**Helpful Hints & Sorts**

When your child/ren bring home their spelling sorts here are a few hints to keep you in the loop:

- Cut sound/word cards and the sort pictures or words.
- Category headings and should be placed at the top of each column.
- Ask your child to sort the picture cards into categories.
- Ask “Why did you sort the picture/word cards the way you did?”
- Have your child say the words aloud.
- Have your child mix-up the cards and sort them again as quickly as possible.
- Check with your child what different ways they have learnt to sort their words/pictures/letters in class.
- Put the sort cards somewhere safe like a ‘zip lock’ plastic bag or envelope as they will use them several times each week.
- Glue them into your child’s homework book at the end of the week/fortnight.
- Praise, praise, praise

INTERSCHOOL ATHLETICS (Red Track)

Congratulations to all our athletes who competed at the Red Track on Thursday. Cranbrook’s team performed well with the Boys and Girls Teams both coming 5th and as a school placing 4th in the aggregate points and in the average trophy we came 2nd. Our athletes tried hard all day and performed to their best on the track and in the field events and in the stand our cheering was so loud and relentless that the announcer made comment of how great we were. Congratulations to Jason Bulsey, Daniel Buckland and Stephen Savage for their selection to compete at the North Queensland Trials next Tuesday.

Thank you to Ms Matheson, Mr Myles, Mrs Haines, Mrs Wilson, Mr Wilcox and Mr Bonato for their assistance in training our athletes.

INTERSCHOOL SPORT

Payment and Permission Forms must be returned by Tuesday next week.

HOT SUMMER BASKETBALL

Thank you to the parents who have returned the form noting their child’s interest in playing basketball for Cranbrook School in the TBI competition. A large number of children and parents have spoken to me about playing for the school, but have not returned their forms. Please return your form by Tuesday next week so that we can register our teams. If you have lost your form, there are new forms at the office. Come and join the fun of playing basketball with your friends. For more information contact Mr Johnson on 0427830132.

BOOK FAIR NEWS

The Book Fair was once again a huge success due to the wonderful support of the school community. It was lovely to see so many parents, grandparents and friends of students visiting the Book Fair in the Resource Centre. From our total sales of about $7133 from the Book Fair, we have received approximately 206 books for our school Resource Centre. These books will be available for students to read and borrow during the school year.

The winners of the Lucky Book Fair tickets were:

Izabella B - 1B, Emily R - 3A, Hayden W - 3B and Felix F - 5C.

Each of these students received item/s from Book Fair up to the value of $15.00.

Thank you to everyone for making this year’s Book Week & Book Fair such a memorable event for our school. We were amazed at the fantastic participation of the “Book Character Dress Up Day”. Special thanks must go to Marion Davey and the fantastic group of Year 5, 6 & 7 Resource Centre Assistants and Trainees who so willingly helped before and during Book Week/Book Fair. It was a pleasure to hold such an event for our students and the school community.

DONATION REQUEST THIS WEEK:
PLATE OF GOODIES FOR OUR CAKE STALL
(Due to Health Regulations, all Cake Stall items must have a list of ingredients attached and stipulate the date baked/made. Also, NO FRESH CREAM as there will be no refrigeration available. Please deliver all Cake Stall items to school on Friday morning ONLY – exact drop off location will be advertised closer to the fete.

The fete is fast approaching, Friday 20th September 5pm to 9pm. (last day of term 3).

Don’t forget your PREPAID “unlimited” RIDE BANDS - $25 each if paid by 3pm Wednesday 18th Sept ($30 on the fete night). The rides are a great fundraiser for the P&C and much cheaper way to enjoy unlimited rides at the fete. (individual rides are $5 each on the night). Additional ride band forms are available at the office. Ride bands allow you unlimited access to the jumping castles, giant slide, bungee trampoline, willy the worm, mechanical bull, giant swings and Timmy the train. Please note that Laser Skirmish games are not covered by the ridebands as this is a different organisation altogether. We are excited to be able to offer Laser Skirmish to our attendees. Pre-paid ride bands will be on sale until Wednesday 18 September, only two weeks away. Save the hassle and get in now.

Thank you to the families that have generously donated requested items towards our fete, your support is greatly appreciated. A few things are still required so the class stalls can run successfully. If you can donate any of the following please leave them in the collection box marked “Fete donations” in the office:

• 2 golf putters for Putt Putt Golf (please name them so we can return them to you when the fete is finished)
• Cent Sale still needs 13 more ice cream containers with lids or formula tins with lids
• Grocery items for the grocery wheel – this stall may have to cancel if more donations don’t come in
• Large eskies for the drinks stall (please advise Julie on email kipping@westnet.com.au if you can help and then drop eskies to school on the Friday morning of the fete, please remember to name them.
• Don’t forget all the yummy baked goods are to be dropped off to school on the Friday morning. We will advertise in next week’s newsletter where the drop off point is.
• Paint for face painting
• Cans of coloured hairspray
• Prizes for stalls

The P&C do not expect families to donate large amounts of items for the fete, we are hoping that all families donate one small items towards the fete which will then assist the stalls to make a wonderful profit on the night.
Each of the class stalls require a representative that liaises with the class stalls co-ordinator (Julie Kipping), if you are able to represent your child’s stall please see your teacher this week. Each class stall is collating a roster of helpers for the night. If parents can roster themselves on for one hour during the night that would be a great help to your child’s class stall. A note went home this week to all the classes regarding their stalls.

REMEMBER - Fete meeting Monday 2pm in the staff room, anyone wanting to assist is welcome to attend. If you have already nominated to be a class stall representative, please come along to the meeting to see what needs to be done for your stall.

This week you would have received a letter regarding the chosen stall your child’s class has decided to run for the fete. This letter asked you to volunteer your time to assist with the set up, coordination and manning of the stall. Please consider how you can help with the school fete, and advise on this letter on what ways you can assist, such as baking for our cake stall, assisting with general set up and pack down, and coordination of class stalls. Return these forms to your class teacher as soon as possible so preparations and rosters can be completed. Thank you for your assistance.

Thank you to the students who helped prepare fete posters. Your hard work is now on display around the neighbourhood. Have you seen your poster? Please give word of mouth to all your friends and family about our school fete because we are going to be holding a fantastic fete and you won’t want anyone to miss out!

Do you have a budding BeatBox talent in your family? All primary school aged children are invited to participate in a BeatBox Competition held as part of the Main Stage Entertainment at the fete. There are two divisions that students can compete in - 5 to 8 year olds who can win a $50 voucher from Toys R Us, and 9 - 12 year olds who can win 10 games of skirmish or bowling from KingPin Bowling. Registration forms are available at the front office for students to complete and return as soon as possible. Let’s have fun with this and bring some funky groove and beats to our fete.

Thank you to all those who have offered their assistance with the fete, and who have provided donations for the fete. Well Done! Every effort is greatly appreciated.

As always, please contact Fete Coordinator, Jacqui Bawden, should you require any further information regarding the fete. jacquibawden@hotmail.com or mobile 0400416514.
