Oral Language Donations Required

Our school is setting up an Oral Literacy room. If you have any old toys that are good quality, indoor play equipment or games that you are willing to donate it would be appreciated. Please drop off your equipment to the office.

2014 Permissions
Our 2014 permission procedure will see a survey link sent to your registered email address for you to complete. Please complete the 3 minute survey ASAP so your child does not miss out on special events such as Cross Country etc.

The following link and Smart Phone QR will allow you to complete your permissions for 2014. The link is also available on our website.

Road Safety

Parents are reminded that every time you wait on the opposite side of the road and let your child walk across the road, you are putting them in danger. We had a close call late last week simply because the child was excited to see Mum and didn’t look before crossing the road. Protect your children and walk to the school side of the road and walk them across.

Parent Workshops – Spelling and Reading

Congratulations to those parents who attended these sessions over the last fortnight. You are now certainly better positioned to help your child reach their potential in both of these important areas of literacy. These workshops are held each term, so please watch out for the dates next term if you want to help make a difference with helping your child reaching their potential.

Jewellery

Parents are reminded to help the school by enforcing these expectations before they leave your home (especially the rubber band bracelets that seem to be the craze at the moment).

Boys and girls are permitted to wear a watch, plain bracelet and two pairs of sleeper earrings or two pairs of plain studs if these are necessary, one plain chain necklace and a plain ring. No other form of jewellery or adornment is to be worn.

Nose and other forms of face studs are not acceptable.

Make every day count in 2014
Make 2014 the year when your child doesn’t miss a day of school. Research shows that students who have good patterns of attendance are more likely to achieve at school. If students aren’t at school or don’t stay the whole day, they are missing valuable lessons. Check out the new Every Day Counts videos live on DETE TV.

### World's Greatest Shave

Every year thousands of people are sponsored to shave, colour or wax their hair to help people with blood cancer.

Today, 31 Australians will be given the devastating news that they have leukaemia, lymphoma, myeloma or a related blood disorder.

World's Greatest Shave is your chance to help them by committing to shaving or colouring your hair between 13-16 March 2014 and asking sponsors to help you raise vital funds for the Leukaemia Foundation's important work.

For Cranbrook, there will be a "Wacky Hair Week" happening from Monday, 17th March.
